

WORKSHEET OUTPOST | Kindergarten Math

Numeral practice: one to three

OW-K-070 | Five questions

Success criteria
I can write the number and show a group that matches it.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Look at 1. Say it, write it, and draw that many dots.

2. Look at 2. Say it, write it, and draw that many dots.

3. Look at 3. Say it, write it, and draw that many dots.

4. Look at 2. Say it, write it, and draw that many dots.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
