

WORKSHEET OUTPOST | Kindergarten Math

Numeral practice: eight and nine

OW-K-066 | Five questions

Success criteria
I can write the number and show a group that matches it.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Read 8. Write it and draw that many dots.

2. Read 9. Write it and draw that many dots.

3. Read 9. Write it and draw that many dots.

4. Read 8. Write it and draw that many dots.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
