

WORKSHEET OUTPOST | Kindergarten Math

Build with solid objects

Success criteria
I can build or draw a shape and describe its parts.

OW-K-131 | Five questions

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Roll clay into a sphere. Draw it and tell whether it rolls.

2. With an adult, build a cube frame from sticks and clay. Draw it.

3. Make a cylinder from clay. Draw its flat ends.

4. Make a cone from clay. Draw and point to its tip and base.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
