

WORKSHEET OUTPOST | Kindergarten Math

Extra practice: put parts together

OW-K-005 | Five questions

Success criteria
I can show what happens when I put groups together or take some away.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. The parts are 1 and 1. Draw both groups. How many are there altogether?

2. The parts are 2 and 2. Draw both groups. How many are there altogether?

3. The parts are 3 and 1. Draw both groups. How many are there altogether?

4. The parts are 4 and 2. Draw both groups. How many are there altogether?

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
